ABDIMAYUDA

Indonesian Journal of Community Empowerment for Health

ABDIMAYUDA: Indonesian Journal of Community Empowerment for Health with registered number ISSN 2962-5890 (online) is an open access journal published by the Faculty of Public Health, University of Jember in collaboration with PERSAKMI. This journal is a forum for academics, practitioners, students, and community representatives to explore problems and practices related to various activities that involve the community. This journal is a peer-reviewed online journal published for the publication of high quality articles focused on community engagement. The ABDIMAYUDA Journal is published twice a year, in February and August with a total of 6 articles in Indonesian in each issue.

FOCUS AND SCOPE

As a national journal, ABDIMAYUDA focuses on community engagement programs to advance theory, research and practice related to all forms of community outreach and engagement in Indonesia. Community involvement includes community service, application of science and technology according to their fields, community capacity building and community empowerment. ABDIMAYUDA includes highlighting community empowerment innovations, and reporting on research based on community involvement and community service, as well as increasing knowledge and practice in the field of community involvement. The ABDIMAYUDA Journal accepts manuscripts in Indonesian language covering relevant scientific fields including: Community Nutrition, Occupational Health and Safety, Health Policy, Maternal and Child Health, Environmental Health, Disease Prevention, and Health Promotion.

MANUSCRIPT SUBMISSIONS

Before submitting your manuscript online at:

<https://jurnal.unej.ac.id/index.php/ABDIMAYUDA/submissions>, consult the Author Guideline posted on the ABDIMAYUDA website <https://jurnal.unej.ac.id/index.php/ABDIMAYUDA/GuideAuthor>

PLAGIARISM SCREENING

All submitted articles will be initially screened using the Turnitin to check plagiarism using a similarity index. The articles having >20% similarity index will be rejected without further peer-review. The authors are then advised to revise and resubmit the manuscript. No plagiarism and no fraudulent data will be tolerated in this journal.

COPYRIGHT NOTICE

This journal provides immediate open access to its content on the principle that making article freely available to the public supports a greater global exchange of knowledge. **ABDIMAYUDA:** Indonesian Journal of Community Empowerment for Health is licensed under a [Creative Commons Attribution-ShareAlike 4.0 International License](https://creativecommons.org/licenses/by-sa/4.0/).
